North-West Geologist (NWG) Index to Issue (with year), Title, Author(s) and page 07 Jan 2025

(The two lists contain information from the following: List 1: 'THE GEOLOGICAL JOURNAL' (1966-1985) and 'THE AMATEUR GEOLOGIST' (1985-1991) have been amalgamated under one name. This is followed by List 2: the 'NORTH-WEST GEOLOGIST' (1991-2024).

List 1:

Index to the 'Geological Journal' and the 'Amateur Geologist' (1966-1990) by author, title, and page(s).

1966 THE AMATEUR GEOLOGIST v1 pts1 and 2,
Pt 1: Isherwood KHC, *'Fieldtrip to the Welsh Borderlands'*, pp5-8.
Pitcher WS, *'Rocks of Merseyside'*, pp9-13.
Stubbs A, *'Wren's Nest, National Nature Reserve, Dudley'*, pp14-19.
Simpson IM, *'Temporary exposure at Oversleyford Brickworks, Ringway, Cheshire',* pp22-25.

Pt 2: Howie RA, *'Notes on some mineral localities within reach of Manchester',* pp6-14
Stone IR, *'Note on cross-strata of the Upper Bunter Sandstone of NE Cheshire',* pp15-22.
Bellhouse MA, *'Welsh Gold Mines',* pp23-33.
Powell D, *'Coal Measure fossils at Agecroft',* p34.
White WH, *'Tour of Malham Dale',* pp35-7.

1967 THE AMATEUR GEOLOGIST vol 2, pts1 and 2,
Pt 1: Miller J & Grayson RF, *'Geology of the Clitheroe Area',* pp7-12.
Williams M, *'Temporary exposure of Silurian rock at Yew Tree, Walsall, Staffs',* pp13-14.
Hackett F, *'Museums and the amateur geologist',* pp15-17.
Guion F & Borrowdale G, *'Fieldtrip at Charnwood Forest',* pp18-23.
Cooke N, *'Miners to World's End',* pp25-30.
Anon, *'What is on in the Local Geological Societies',* pp31-33.

Pt 2: Johnson RH, *'Former course of the river Goyt',* pp38-50 (BJ has reprint).
Bellhouse MA, *'Glacial erratics of the Combs area of Derbyshire',* pp51-54.
Miller J & Grayson RF, *'Geology around Clitheroe',* pp55-60.
Walkden G, *'Palaeontology 1984',* pp61-68.
Anon, *''What is on in the Local Geological Societies',* pp69-72.

1968-1969 THE AMATEUR GEOLOGIST v3 pts1 and 2,
Pt 1: Challinor G, *'The Rheidol Gorge',* pp6-11.
Newall G, *'The Aymestry Limestone',* pp12-16.
Book reviews: Pollard JE, *'Lakeland Geology'* and Wild IM, *'Wren's Nest Nature Reserve',* pp17-18.
Challinor J, *'A note on outdoor geological photography',* pp19-20.
Cullen DA, *'Great Whin Sill',* pp21-26.
Brenchley P, *'Investigation into the glacial deposits at Thurstaston, Wirral',* pp27-40.

Pt 2: Jackson JW, *'Owen Thomas Jones 1868-1967',* pp6-9.
Miller J, *'Geology around Clitheroe 3: Palaeontological Aspects: Trilobites',* pp10-18.
Walkden G & Oppe E, *'In the footsteps of dinosaurs',* pp19-35.
MacKenzie WS, *'Some optical techniques for identifying minerals',* pp36-40.
Pollard JE, *'Day fieldtrip to the Shap District, Westmorland',* pp41-46.
Book reviews: Wild I, *'The amateur geologist (Cattermole)'* and *'Science of geology in colour (Robson)',* and Thompson DB, *'Geological excursions to the Sheffield Region (Neeves & Downie)',* pp47-50.
Anon, *''What is on in the Local Geological Societies',* pp50-51.

1969-1970 THE AMATEUR GEOLOGIST v4 pts1 and 2,
Pt 1: Diggens JN, *'Car journey through Ordovician rocks in North Wales',* pp6-12.
Tresise GR, *'Case of the elusive Chirotherium',* pp13-18.
Anon, Liverpool Geological Society field-meetings', pp18-19.
Richards J, *' Geology of the area to the NW of Torver, near Coniston',* pp20-26.
Drumhead D & Edwards D, *'Polarising attachment for a slide projector',* pp27-29.
Book reviews: Thompson DB, *'Geology of the country around Macclesfield, Congleton, Crewe & Middlewich',* Watson BA, *'Practical Geology for Schools (Greensmith)',* Platt-Chance D, *'Introducing Geology: Pt1-Fossils and Pt2-British Stratigraphy (Middlemiss)',* pp30-32.
Anon, *'Moon rock at Liverpool',* pp34-35.
Anon, *''What is on in the Local Geological Societies',* pp36-38.
Williamson I, *Geological itinerary for White Coppice and Anglezarke',* pp41-46.

Pt 2: Le Morvan MER, *'Geology of Antarctica 1: Introduction',* pp7-18.
Zussman J, *'Rocks from the Moon',* pp19-24.
Thompson RN, *'Geology and volcanic activity of Mount Etna, Sicily',* pp25-35.
Broadhurst FM & Simpson IM, *'Geology in Treak Cliff Cavern, Derbyshire',* pp36-40.
Book reviews: Pollard JE, *'Lead mining in the Lake District'* and *'New editions of the British Regional Geological Handbooks',* plus Dunham AC, *'GA Guides to the Scottish Volcanic Districts',* pp41-46.
Anon, *''What is on in the Local Geological Societies',* pp47-50.

1971 THE AMATEUR GEOLOGIST v5 pts1 and 2,
Pt 1: Crossley JD, *Weekend field excursion: Geology of Cleveland N Yorks',* pp6-16.
Challinor J, *'Interpretation of certain geological boundaries: unconformity or fault?',* pp16-18.
Sloan KJ, *'GH Morton: a short biographical study of the Founder of the Liverpool Geological Society',* pp18-22.
Rimmer HE & Rimmer L, *'1970 Fieldtrip to Corndon Hill',* pp22-27.
Book review: Ward RC, *'Principles of Hydrology',* p28.
Cullen DA, *'Liverpool Museum and the 'Amateur Geologist',* pp29-31.
Le Morvan MER, *'Geology of Antarctica 2: the Precambrian basement and the Ross geosyncline'*pp33-42.

Pt 2: Le Morvan MER, *'Geology of Antarctica 3: the Gondwana Sequence',* pp6-17.
Johnson RH, *'The Last Glaciation in NW England: a general survey',* pp18-37.
Harris PG, *'Nature and importance of the Mantle',* pp38-47.
Book reviews: Pollard JE, *'Understanding the Earth (Gass et al)',* and Le Morvan MER, *'The Earth (Evans)',* pp48-49.
Curzon B, *'Salt Museum, Nortwich',* pp50-51.

1972-1973 THE AMATEUR GEOLOGIST v6 pts1 and 2,
Pt 1: Le Morvan MER, *'Geology of Antarctica 4: Graham Land and the McMurdo Volcanics',* pp6-15.
Jackson JW, *'Fluorspar used for beads in Ancient Egypt',* pp16-17.
Chalinor AJ, *'At the foot of Constitution Hill, Aberystwyth: a scene illustrating geology',* pp18-25.
Elsdon R, *'Geology of Greenland',* pp26-33.
Wilkinson DG, *'Preparation and mounting of rocks in thin sections',* pp34-37.
Book review: Thompson DB, *'Elements of Palaeontology (Black)',* pp38-39.

Pt 2: Le Morvan MER, *'Geology of Antarctica 5: Break-up of Gondwanaland',* pp4-14.
Harpum J, *'Geological mapping: pt1 – Philosophy',* pp15-28.
Crimes TP, *'Trilobite tracks in N Wales',* pp29-33.
Brumhead D*, 'Ashover area fieldtrip guide'* pp34-40.
Book reviews: Levy DM, *'The Dynamic Earth (White)'* and Pollard JE, *'Institute of Geological Science publications',* pp43-44.

1974-1976 THE AMATEUR GEOLOGIST v7 pts1 and 2,
Pt 1: Dewhurst NR, *'Towards a better understanding of slopes',* pp4-16.
Johnson RH & Musk RF, *Some observations on the construction of Isopleth maps when re-constructing Rockhead Surface and Buried Drainage Channels',* pp17-30.
Dunkerley PM, *'Some thoughts on being an exploration geologist',* pp31-34
Connolly RW, *'The fluorescence of minerals'*, pp35-38.
Muller RJN, *'A note on a Pennine landslip',* pp39-41.
Peacock W, *'Where my caravan has rested',* pp43-47.
Exhibition reviews: Levy DM, *'The story of the Earth'* and Pollard JE, *'Face of the Earth'* with the Sunday Times at the Geological Museum, pp47-49.

Pt 2: Broadhurst FM, *'Geological visit to Lyme Park',* pp4-10.
Peacock W, *'Where my caravan has reasted 2',* pp11-14.
Reading HG, *'Varnishes',* pp15-25.
Wilkinson DG, *'Pleistocene geology of Prestwich',* pp26-28.
Jackson IJ, *'Fieldtrip in the Patterdale area, Cumbria',* pp29-36.
Jackson JW, *'Obituary for Edward William James Moore',* pp37-40.
Book reviews: Wilkinson DG, *'Geological laboratory techniques (Allman)'* and Preece R, *'Building stones guide to Central Manchester (Simpson & Broadhurst)',* pp41-42.

1977-1978 THE AMATEUR GEOLOGIST v8 pts1 and 2,
Pt 1: Warrington G, *'The Alderley Edge Mining District',* pp4-13 (1 page omitted, but see AG v9, pt 2, p23).
Miller GD, *"Now you see it, now you do not: the case of the disappearing sill",* pp14-18.
Howe SR, *'Review of some Pleistocene mammals from the caves of the Vale of Clwyd',* pp19-31.
Owens RM, *'Trilobites of NW England',* pp32-50.
Jones JB & Tomlinson P, *'Postglacial peat deposits of Merseyside: a programme for future research',* pp51-56.
Dagger PD, *'A personal tribute: John Wilfred Jackson, DSc, FGS, and FSA',* pp57-58.

Pt 2: Millward D, *'Ordovician Lake District volcanoes: a review',* pp4-15.
Grayson RF, Jolley B & Chapman AJ, *'The distribution of lead-zinc-copper-fluorite mineralisation in Lancashire'* pp16-21.
Peacock W, *'Where my caravan has rested: the Maritime Alps',* pp22-24.
Miller GD, *'Those damned elusive Sanguinolites',* pp25-29.
Wilkinson DG, *'Method to render visible porosity of rocks in thin section',* pp30-31.
G.P., *'Salford Museum of Mining: a note',* p31.
Wilson P, *'Simple analysis of scree profile data',* pp32-39.
Reed P, *'Detection of some metal ions in geological specimens',* pp40-45.
Preece R, *'A progress report on the documentation of geological sites in the Manchester area (RIGS)',* p46.

1979-1980 THE AMATEUR GEOLOGIST v9 pts1 and 2,
Pt 1: Park A, *'Geology of the Upper Hodder Basin',* pp4-17.
Miller GD, *'New maps for old: a note on the new Buxton sheet 111',* p18.
Geological trails and a garden: Chapman AJ, *'Geological trail around Central Southport',* J.M., *'Wigan Geology and Industrial History Trail'* and Preece R, *' Manchester Museum Geological Garden',* pp19-24.
McMorrow AJM, *'Some Late Quaternary sites in central Wales',* pp25-39.
Nicholson R, *'Interpretation and re-interpretation of the Mona Complex, Anglesey',* pp40-45.
Tresise GR, *'Geology and Wine in Western Europe: pt 1',* pp46-61.
G.P., *'Geology and coal-mining: some new exhibitions',* pp62-63.

Pt 2: Martin J, *'Geology in Trust',* pp4-11.
Cleal CJ, *'Ravenshead collection of fossil plants',* pp13-22.
Warrington G: Page omitted from AG v8 pp4-13: *'Alderley Edge Mining District',* p23.
Wright RC, *'Review of the geology of the Forest of Bowland',* pp24-37.
Gamon TI, *'Geology of the A5',* pp38-47.
Miller GD, *'Obituary: A Prince among Amateurs (HH Arnold Bemrose 1857-1939)',* pp48-61.

1981-1982 THE AMATEUR GEOLOGIST v10 pts1 and 2,
Pt 1: Jones JB & Tomlinson PR, *'Cultural implications of Holocene Landscape Evolution in the Merseyside Region',* pp3-17.
Paul CRC, *'1982 Herdman Symposium Report: Evolution and the Fossil Record',* pp18-19.
Donovan SK, *'Potential applications of crinoid columnals in palaeontology',* pp20-31.
Miller GD, *'God bless all badgers! Or, Arnold Bemrose vindicated?',* pp32-35.

Pt 2: Elder J, *'Mining hot water',* pp3-10.
Broadhurst FM, *'Geology in Vernon and Woodbank Parks, Stockport',* pp11-15.
Adams AE & Nicholson R, *'Geology of Majorca',* pp16-26.
Wilson P, *'Quartz sand surface textures from the Triassic sandstones of SW Lancashire',* pp27-32.

1983-1985 THE AMATEUR GEOLOGIST v11 pts1 and 2,
Pt 1: Tresise GR, *'Geology and Wine in Western Europe: pt 2, Germany, Spain and Portugal',* pp3-9.
Brumhead D, *'Fieldtrip to the Goyt syncline',* pp10-15.
Draper A & Walters G, *'Geology in the Tame valley',* pp16-22.
Brumhead D, *'1983 MGA fieldtrip report to Haweswater and Bampton led by MJC Nutt (LGS)',* pp23-28.
Miller GD, *'Field guides, old and new',* pp29-30.
Anon: Index to AG vols. 6-10, pp30-32.

Pt 2: McMillan NF & Zeissler H, *'Tufa deposit of Caerwys, N Wales and its molluscan fauna',* pp3-11.
Hunt NC, *'Alternative mechanisms of deposition of the shale-grit turbidites',* pp12-15.
Brumhead D, *'Mining and working of green slate at Honister, Cumbria',* p16.
Wilson C, *'Radon: geological aspects of an environmental problem',* pp17-33.
Rhodes RJ, *'Temporary exposure of Westphalian A Coal Measures at Windsor St, Oldham',* pp34-36.
Jones A, Hunt NC, *et al, 'Research on an outlet glacier from Vatnajokull, Iceland',* pp37-47.

1986-1988 THE AMATEUR GEOLOGIST v12 pts1 and 2,
Pt 1: Pounder EJ, *'River terraces in Upper Swaledale, N Yorks',* pp4-12.
Miller GD, *'The unveiling of a Sill: Waterswallows 1900-1985',* pp13-24.
Adams AE, *'Making acetate peels'* pp25-27.
Wignall PB, *'Guide to the geology of Turf Moor, Rossendale',* pp28-29.
Viator Geologicus: *'Come to Santorini!',* pp30-33.
Dearden PN, *'Research on the soils and vegetation in the Svinafell area of SE Iceland',* pp34-54.
In Memoriam: *'Carole Wilson',* p55.

Pt 2: Reeson PF, *'Notes on the Prince Edward Gold Mine, Merioneth',* pp7-12.
Brumhead D, *'1986 Tour of Israel',* pp13-24.
Wignall PB, *'Geological guide to marine and deltaic sediments of the Silesian Deeply Vale, N Bury, Lancashire',* pp25-30.

Miller GD, *'The Calton Hill SSSI – an update',* pp31-39.
Brumhead D, *'Coal-mining leases and Mine abandonment plans of New Mills, Derbyshire',* pp40-56.
Miller GD, *'Cavities with Pocket deposits in the Carboniferous Limestones, near Buxton, Derbyshire',* pp57-60.
Book review: Seldon PA, *'The Outcrop Quiz (Wright)',* p61.
Proceedings of the Liverpool Geological Society, p63.
Proceedings of the Manchester Geological Association 1987-1988, p64.

1989-1990 THE AMATEUR GEOLOGIST v13 pts1 and 2,
Pt 1: Gibbons W, *'Monian terraces in NW Wales',* pp5-10.
Hunt NC, *'An application of computer modelling in Earth Sciences',* pp11-21.
Wilson OM, *'Zeolites and their occurrence in the UK and elsewhere',* pp22-27.
Brumhead D, *'Geology and industrial archaeology of the Compstall area of Cheshire',* pp28-35.
Conservation Corner: Kaye AM, *'What has the Nature Conservancy Council been up to?',* pp37-39.
Museums round-up: reports from *'Manchester Museum: The Way Ahead',* Sheffield Museum and Buxton Museum by Nudds JR, Boon G, and Miller GD, pp42-44.
Thompson DB, *'Essay review on the Geology around Chester',* pp45-54.
Book reviews: Brumhead D, *'Geology of the country around Settle (Arthurton, Johnston & Mundy)',* and Nicholson R, *'Mallorcan Geology (Adams)',* pp55-58.

Pt 2: Zussman J & Harrus AL, *'A word from our university sponsors',* pp4-12.
Treagus J, *'The Lake District – a structural review',* pp13-21.
Robinson E, *'And did those feet in ancient times?',* pp22-26.
Webster D, *'Geologist on holiday – Pembrokeshire pt 1',* pp27-33.
Nudds JR, *'Illustrated guide to Lower Carboniferous corals: Lithostrotion and related genera',* pp34-42.
Mitchell M, *'Lake Cartmel: a post-glacial lake and its probable effect on the buildings of Cartmel Priory',* pp43-49.
Manning DAC, *'Copper mineralisation at Alderley Edge: new views on a well-known viewpoint',* pp50-52.
Miller G, *'The King Crabs of Kinder',* pp53-55.
Peacock W, *'Where my caravan has rested: Reflections in an Anglesey churchyard',* pp56-58.
Yound B, Wilson AA & Bazley A, *'The BGS at work',* pp59-63.
Museums round-up: Liverpool, Stoke-on-Trent and Bolton by Tresise G, Steward DI & Simmons M, pp63-67.
Conservation corner: *'Nature Conservancy Council Progress Report'* by Dixon A, and *'Wot – No hammers?'* by Miller GD, pp68-69.
Book reviews: *'Sedimentary structures (Collinson & Thompson)'* by Crossley JD, and *'MacMillan field guide to Geological structures (Roberts)'* by Miller GD, pp70-71.
Four MGA fieldtrips to a) *'Tyndrum, Perthshire'* by Treagus J, b) *'SW Langdale'* by Prior I, c) *'Ravenstonedale'* by Spencer J, and d) *'Fletcher Bank & Scout Moor Quarries, Ramsbottom'* by Broadhurst F, pp73-82.
Anon: Proceedings of the Liverpool Geological Society 1987-1989, p83-84.
Proceedings of the Manchester Geological Association 1988-1989, p85.
'In Memoriam to Philip Dagger' by Brumhead D, pp87.

End of List 1: 'Geological Journal' and 'Amateur Geologist' index to contents: 1966-1990.

List 2:

Index to the 'North-West Geologist' (1991-2020) by volume.

1991 NWG v1: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 1, Contents p1 and Editorial p2

'Methane - Its Origin and Global Implications' by Steve Birtwistle and Fred Broadhurst, p7
'Some Characteristics of the South Aegean Arc-Volcano of Nisyros' by William Taylor and Rex N. Taylor, p11
'A Geological Walk around Broadbottom' by Paul A. Selden, p21
'A Walk South of Glossop' by Paul A. Selden, p26
'The Mineralization of Stiperstones Quartzite of the Shelve Inlier, S W Shropshire' by John Moseley, p31
'The Geologist on Holiday - Pembrokeshire (part 2)' by Dave Webster, p36
'Courses in the Earth Sciences at the University of Liverpool' , p46
'Conservation Corner' and NCC Update by GD Miller, p56
Museums Roundup: Manchester Museum by JR Nudds, p57, Derby City Museum by WM Grange, p59 and Clitheroe Museum by S Thompson, p61
'The British Geological Survey at Work' by AA Wilson, T Bazley and B Young, p62
'Book Review' by John Pollard, including '*For Your Bookshelf or Library List',* p65
Field Excursion Reports on '*Ince Moss Landfill site'* (LGS) and '*Yorkshire Mining Museum'* (MGA), p68
Proceedings of the Liverpool Geological Society, p76
Proceedings of the Manchester Geological Association, p78.

1992 NWG v2: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 2, Contents p1 and Editorial p2 and In brief, p4
'Wrexham and the earthquake of April 2nd, 1990' by WB Jones, p7
'A lateral key for the identification of the commoner Lower Carboniferous coral genera' by M Mitchell, p11
'Geology and transport history in NW Derbyshire' by D Brumhead, p21
'Field guide to the fossil Echinoderms of Coplow, Bellman and Salthill quarries, Clitheroe, Lancashire' by SK Donovan, p33
'WS Bisat and his goniatite zones' by B Kennett, p55
'Cartmel Priory building stones – a historical account' by M Mitchell, p65
Courses in Earth Sciences at the University of Manchester: Open University Earth Science by H Davies, p76
The British Geological Survey at work: update on NW England and Wales, p82
Conservation Corner with NCC/EH and RIGS updates, p86
Museums Roundup featuring Derby Museum, p88
Field excursion reports: MGA visits to *'The National Stone Centre at Wirksworth'* by GD Miller and '*Stone in Macclesfield the Building Stone Quarries around Macclesfield'* by Fred Broadhurst, p89
'Book reviews' on *'Geology around Manchester, GA Guide no.7 by Eagar et al'* by P Wignall, *'Ordovician (Caradocian) marginal basin volcanism, Snowdonia by Howells et al'* by P Kokelaar and *'A diversity of Dictionaries',* geological naturally, by GD Miller, p89
Proceedings of the Liverpool Geological Society, p99
Proceedings of the Manchester Geological Association, p101.

1993 NWG v3: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 3, Contents p3 and Editorial p1 and In brief, p2
'Continental flood basalts of the Karoo, Southern Africa' by WJ Wadsworth, p6
'From bedrock to battlements: the geology, quarrying & construction of Caergwrle Castle, Clwyd' by J Manley & W Jones, p11
'Fossil spiders' by P Selden, p43
'Sea defences along the North Wirral coast: river Mersey to Meols' by HE Clark, p50
'A mine, a pub and some gold' by L Willies & GD Miller, p68
BGS at Work: reports on NW England and Wales, p70
Conservation Corner: RIGS progress report from Staffordshire, Cheshire, Derbyshire and Gt Manchester, p74
Museums Roundup with reports from Peak District Mining and Cheshire Salt Museums, p76
Earth Science at Liverpool John Moores University, p78
Field Excursion reports: MGA visits to the '*Clitheroe Limestones'* and '*Rooley Moor'* in the Rossendale Uplands, p87
'Book Review' by Fred Broadhurst: Geology of England & Wales by Duff & Smith, GA, 1992, and *'For your library list or bookshelf',* 4 books on Scotland, Brown Edge Quarry (Staffs), The Geological Column, and Holmes' Principles of Physical Geology, plus mention of 7 GA Guides, p97
Proceedings of the Liverpool Geological Society, p99
Proceedings of the Manchester Geological Association, p101.

1994 NWG v4: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 4, Contents p1 and Editorial p2 and In brief, p3
'Early days, some recollections and a proposal' by IA Williamson, p6
'*A plain person's guide to the igneous rocks of Derbyshire'* by G Miller, p11
'New exposures in the Precambrian Stretton Shale Formation, Church Stretton, Shropshire' by JB Moseley
'A note on the slate quarries of Easdale Island, Argyllshire' by D Brumhead, p39
'*The minerals of the Tertiary basalts of the Isle of Skye'* by D Green,45
BGS at Work: reports on NW England and Wales, p54
Conservation Corner: RIGS progress reports from Staffordshire, Cheshire, Derbyshire, Lancashire and Gt Manchester, p59
Museums Roundup with 'dinosaur' report from Clitheroe Castle Museum, p63
Field Excursion reports: MGA visits to '*Appleby'* with E Skipsey, '*Fluvio-glacial deposits of the Wrexham area'* with H Davies, '*Geology of Chunal, near Glossop'* with P Seldon, '*South Cumbria'* with T Adams, and Joint MGA/OUGS to '*Ecton Hill Mine'* with G Cox, A Fleming & J Smethurst, p65
'Book Review' by GD Miller: Geology of the *Isle of Man* by T Ford, GA Guide no.46, 1993, p83
Proceedings of the Liverpool Geological Society, p84
Proceedings of the Manchester Geological Association, p87.

1995 NWG v5: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 5, Contents p1 and Editorial p2 and In brief, p3
'Grahame Miller (1914-1994) Obituary' by D Brumhead, p5
'Rock around Liverpool 1: the paving stones of William Brown St' by J Crossley and H Clark, p9
'The Mysteries of Alderley Edge' by T Browne, p18

'The transfer of the Salford Mining Museum Geological Collection' by J Nudds, p22
'Stereo-optics in geology' by D Green, p28
BGS at Work: reports on NW England, Midlands and Wales, p37
Conservation Corner: RIGS progress reports from Staffordshire, Cheshire, Lancashire and Gt Manchester, p40
Museums Roundup with *'Geology in UK museums – interactives and multi-media?'* by J Nudds, p43
Field Excursion reports: MGA visits to '*Marple'* with RH Johnson, *'Caer Caradoc, Church Stretton'*, with S Beale, *'Skiddaw Granite'* with N Rothwell, *'Sefton Coast'* with S Gonzalez & G Roberts, and Joint MGA/NEGS to '*Wensleydale'* p46
'Book Review': *'Fossil fishes of Fenton & Longton: The John Ward Collection' (from the Potteries)* by H Clark and *'Iceland' GA Guide No.52, 1994* by C Hunt, p70
Proceedings of the Liverpool Geological Society, p77
Proceedings of the Manchester Geological Association, p79.

1996 NWG v6: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 6, Contents p1 and Editorial p2 and In brief, p3
'Hot water and the emergence of life' by Prof MJ Russell, p5
'*The palaeontology of Sparth Bottoms, Rochdale'* by A Tenny, p10
'*The Cheshire Boulders'* by T Browne, p18
'*The story of an old, old pump'* by H Holliday, p20
'*The creation of the Bollin ox-bows, near Manchester, and the collapse breccia of the Cheshire Salt'* by RF Grayson, J Smethurst & T Browne, p24
BGS at Work: reports on NW England, Midlands and Wales, p47
Conservation Corner: RIGS progress reports from Lancashire, Staffordshire and Gt Manchester, p49
Museums Roundup with *'New display at the Manchester Museum'* by J Nudds, p51
Field Excursion reports: MGA visits to *'Snowdonia'* with Dr M Howells, *'Swaledale'* with S Bassham, and *'The White Peak'* with C Burek, p53
'Book Review': *'Northumbrian rocks and landscape: a field guide' (C Scrutton)* by J Nudds, p70
Proceedings of the Liverpool Geological Society, p72
Proceedings of the Manchester Geological Association, p74.

1997 NWG v7: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 7, Contents p1 and Editorial p2, In brief p3 and Letters to the Editor (on Iceland and the Bollin Valley) p5
'JC McCurdy and W Peacock: obituaries' by Don Taylor and D Brumhead, p8
'Coal Mines of New Mills – historical sources' by D Brumhead, p14
'*The asset on the balance sheet'* by H Davies, p28
'Forensic Geology' by A Gurr, p34 (continued on p9)
'Geology of the Fylde: a review of current knowledge' by T Lund, p39
'Ashton Moss remembered' by H Halliday, p45
'Power for free: the Nenthead hydraulic compressors' by H Halliday, p48
Conservation Corner: RIGS progress reports from Lancashire, Staffordshire, Cheshire and Gt Manchester, p56
Museums Roundup with report on Clitheroe Castle Museum by A Bowden, p59
Field Excursion reports: LGA visits to *'Boulby Potash Mine'* with P Edey, and *'Vale of Chipping'* with M Gosling, p61
'Book Review': *'Agate microstructure and possible origin' (T Moxon)* by D Green, '*Structure and evolution of the Northumberland-Solway Basin and adjacent areas', BGS 1975,* by A Bowden, and *'Geology of Connemara and Geology of North Mayo: maps with booklets,* p67
Proceedings of the Liverpool Geological Society, p72
Proceedings of the Manchester Geological Association, p75
Proceedings of the Lancashire Geologists' Association, p77.

1998 NWG v8 THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 8, Contents p1 and Editorial p2
'AC Dunham: an obituary' by N Rothwell, p4
'*The background to the finding of footprints and other trace fossils of ?Scythian, ?Anisian age in the Sherwood Sandstone Group (Triassic) of Hilbre, Wirral, East Irish Sea Basin*' by DB Thompson, p5
'A derived coral fauna in Triassic sediments at Alderley Edge' by JR Nudds, p46
'A provisional list of Regionally Important Geological and Geomorphological Sites on Merseyside' by T Morgan, p53
'*The Nent Force Level*' by Harry Holliday, p65
'*Conservation Corner'*, with notes on Lancashire, Gt Manchester and Staffordshire RIGS by Simon Riley, p73
Museums Roundup on Clitheroe Castle Museum by Alistair Bowden, *p74*
'LGGA (now GeoLancashire) *Fieldtrip report to Hurstwood, nr Burnley'* by IA Williamson, p75
'Book Review' on NW England Triassic vertebrate tracks (Tresise & Sarjeant, 1998) by Chris Hunt, p78
Proceedings of the Liverpool Geological Society, p80

Proceedings of the Manchester Geological Association, p83
Proceedings of the Lancashire Group of the Geologists' Association, p85.

1999 v9: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 9, Contents p2 and Editorial p2 and In brief p3
'Obituaries for Cecil Wragg and George Henderson' by D Brumhead, p4
'At the eleventh hour' by H Halliday p8
'A new non-marine bivalve fauna below the Oldham Great Mine in Lowside Brickworks Quarry, Glodwick, Oldham, Lancashire' by M Eager & H Halliday, p12
'Konservat Lagerstatten of the Lancashire Coalfield: exceptional preservation as the norm' by LI Anderson, p28
'Deposition of a carbonate sequence at Calver Low, Derbyshire' by N Midgley
'Geology, coal-mining and quarrying in the upper Dane valley' by D Brumhead, p51
'A tale of three RIGS' by N Catlow, p62
'*Conservation Corner'*, with notes on Lancashire , Gt Manchester and Staffordshire RIGS, p69
Museums Roundup on Clitheroe Castle Museum by Alistair Bowden, *p71*
Proceedings of the Liverpool Geological Society, p73
Proceedings of the Manchester Geological Association, p76
Proceedings of the Lancashire Group of the GA, p78.

2000 v10: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 10, Contents p1 and Editorial p2 and In brief p3
'Norman Horrocks: an obituary' by D Thompson et al, p4
'A history of the vertebrate footprint discoveries on Hilbre, Wirral, Merseyside, England 1990-1994' by MJ King & DB Thompson, p10
'The origin of Dinas Bran Hill, Llangollen' by WB Jones, p39
'Geological features of the Upper Goyt Valley' by D Brumhead, p48
'Vertebrates invade the land: the oldest tetrapod trackway' by J Nudds, p55
'Threlkeld quarrying and mining museum' by N Catlow, p57
Museums Roundup: Manchester University and Clitheroe Castle museums, p59
Fieldtrip reports: LGGA 1999, *'Visit to Bowland Fells'* by IA Williamson, and
MGA 1999, *'Visit to Schiehallion, Argyll'* by C Arkwright & C Butterworth, p61
Iceland Symposium report: Iceland Expedition 20th Anniversary (1979-1999) Reunion by C Hunt, p71
Book review of Brandon A, et al, 1998, *'Geology of the country around Lancaster',* BGS Memoir for Sheet 59, p75
(contd from p9)
Proceedings of the Liverpool Geological Society, p77
Proceedings of the Manchester Geological Association, p80
Proceedings of the Lancashire Group of the Geologists' Association, p82.

2004 v11 THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 11, Contents p1 and Editorial p2
'Obituaries for Nicholas Rast, Professor RM Shackleton and M Eager' on p3, 5 and 15 by T Harris, BE Leakey and G Tresise
'A note on the Thornsett Hey Coal Tunnel, New Mills' by D Brumhead, p18
'Index of the Amateur Geologist by Volume 1966-1990' p22
'Tunisian Geology' by D Brumhead, p29
'George Highfield Morton: Founding Father of the LGS' by G Tresise, p39.

2005 v12 THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 12, Contents p1 and Editorial p2
'Lost and Found again: a note from World Museum, Liverpool' by Wendy Simkiss, p3
'Dinantian-Namurian boundary at Gt Longstone in the Peak District' by D Brumhead, p6
'Take a Nappe' by J Treagus, p11
*'Thomas Mellard Reade'*by G Tresise, p18
'Siphono – what? Tales from the seashore' by Jane Michael, p21
'Use your digital camera as a microscope' by P Rankilor, p27
'Source of the sandstone used to build the Sessions House, Knutsford' by Fred Owen, p32
'Geology of the Uriconian Volcanic Group inlier at Wart Hill, near Craven Arms, south Shropshire' by J Moseley, p38
'Montana Pelada: a tuff ring on the Bandas del Sur, Tenerife' by D Woodcock, p47
Book review: *'The Lunar Mem: the friends who made the future, 1730-1810 (Jenny Uglow)* by D Brumhead, p52.

2006 v13 THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 13, Contents p1 and Editorial p2
'Notes on the glacial erratic currently located in the Manchester University Quadrangle' by MA Gorick, p3
'Musings on a Cycad' by A Bowden

'Henry Charles Beasley (1836-1919)' by G Tresise, p20
'Use your digital camera to view mineral slides under polarised light' by P Rankilor, p23
'Jan's Roadside Rocks No.2: The Nant Francon/Ogwen Valley (pt 1 of 3)' by Jan Heiland, p32
'Jurassic rocks of the Yorkshire Coast: Whitby in 2005' by D Hartley, J Spencer & J Michael, p38
'Liverpool Geological Society Weekend Fieldtrip in 2006' by T Metcalfe, p44
'Obituary for Norman Catlow (1932-2005)' by A Bowden, p53

2007 v14: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 14, Contents p1 and Editorial p2
'Lockeia, Pelecypodichnus, Escape structures and a trace fossil "cover up", by SK Donovan, p3
'Chirotherium and the Quarrymen' by G Tresise, p6
'The story of the Liverpool Spa – its history and hydrogeology' by JD Mather, p15
'Stressed and sweaty in Fuerteventura: shallow level partial melting in the contact aureole of a mafic pluton' by D Woodcock, p27
'Take 3D pictures with your digital camera' by p Rankilor, p33
'Jane's roadside rock sessions – no.3: Igneous intrusions of the Ogwen Valley (pt 2 of 3)' by Jan Heiland
'Sun, sand and shells (but no sea): fieldtrip to Rutland in 2006' by P del Strother, F Owen and J Michael, p49
Book review: Two lead-mining novels: *'Adam Brunskill'* by T Armstrong and *'King Charles' Mine' by* T Thornton; review by IA Williamson, p56.

2008 v15: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 15, Contents p1 and Editorial p2
LGS history: *'George Highfield Morton: Founder and Felon?'* by G Tresise, p3
'The Secret Garden, Styal Country Park, Wilmslow' by Fred Owen, p5
'A British Geological history of Horsetails' by A Bowden, p10 (continued on p11)
'The Longmyndian rocks of the Pedwardine Inlier, N Herefordshire' by J Moseley, p22
'Jan's Roadside Rock Sessions-No.4: The Nant Ffrancon-Ogwen Valley (part 3 of 3)' by Jan Heiland, p33
Liverpool Geological Society 2008 weekend field excursion: *'To the Parallel Roads of Glen Roy'* by T Metcalfe, p40
Manchester Geological Society 2008 trip to *'the Shap area'* by J Michael, N Clarke, M Moseley, N Snowdon & K Mais, p48
'Book Review' on *'Anglesey Geology – a field guide'* (by J Treagus); review by T Morgan, p55

2009 v16: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 16, Contents p1 and Editorial p2
'Use of your Digital Camera to record site details and prepare plans' by P Rankilor, p3
'Limestone quarries and lava flows near Peak Dale, High Peak, Derbyshire' by D Brumhead, p12
'A Victorian geological treasure trail' by ME Mosley, p19
'A distinctive outcrop pattern on Agujas Grandes volcano, Graciosa, Canary Islands' by D Woodcock, p27
Manchester Geological Association weekend trip to the *'Lake District and Morecambe Bay'* by F Owen, M Howie and J Michael, p31
Liverpool Geological Society: *'Visit to the British Gypsum Birkshead Mine at Long Marton, near Penrith'* by T Metcalfe, p50
'Obituary for Fred Broadhurst' by D Brumhead, p54.

2010 v17: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 17, Contents p1 and Editorial p2
'Recycled Sedimentary Halogens preserved in the Tristan da Cunha Hotspot source' by LD Abbott, p3
'Lacewings and Snakeflies (Insecta) of the Lr Cretaceous of the Wealden Supergroup, Southern England' by JE Jepson, p11
'Burrowing Bivalves and Shuffling Shrimps: What can trace fossils tell us about the rate of sedimentation?' by C Arkwright, p20
'The El Time Group: a thick sequence of fluvial conglomerates on La Palma Canary Isles' by D Woodcock, p28
Liverpool Geological Society 2011 Field Visit to the *'Ardnamurchan Peninsula',* by J Iley, p33
'The First MGA Fred Broadhurst Memorial Fieldtrip' to Dove Holes by J Michael & S Plumb, p43
'Rock around William Brown St, Liverpool' by JD Crossley &HE Clark, p48
Erratum: See v18: Replacement Fig 1 for Woodcock, The North West Geologist No. 17, 2010, pp 28-32 on p55.

2013 v18: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 18, Contents p1 and Editorial p2
'Rates of Sedimentation in the Namurian and Westphalian': a review by Derek Brumhead, p3
'The Liverpool Geological Association: 1880-1910' by Geoff Tresise, p26
'The Museum, the Beach and "the Horsebox": MGA's Trip to Pembrokeshire' by Jane Michael, p35
Liverpool Geological Society Field Excursion to *'Wenlock Edge and The Ercall'* by Tom Metcalfe, p46
Erratum: Replacement Fig 1 for Woodcock, The North West Geologist, No. 17, 2010, pp 28-32, p55

2014 v19: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 19, Contents p3 and Editorial p4
'D B Thompson: obituary' by John Pollard p5
'A letter from the Lakes: Alfred Harker to John Marr' by Lyall I Anderson p6
'Limekiln's by Peter del Strother p19
'The Herdmans visit the Herdman' by Chris Hunt p42
'Sedimentology of the Torrs, New Mills' by Derek D Brumhead p51
'El Hoyazo: A geological puzzle in SE Spain' by Graham Sherwood p70
'Ribble Valley Geotrails' by Keith Williams p76
'Guide to the Building Stones of Central Manchester' by Morven Simpson & Fred Broadhurst 1995, (revised 2014 by Jennifer Rhodes and Peter del Strother), p79

2017 v20: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 20, Contents p1 and Editorial p2
'*The emplacement of dykes in North Wales and Shropshire during the Palaeogene',* Philip Firth, p3
'Palaeoecological lessons in a plate of oysters' by Stephen K Donovan, p25
Liverpool Geological Society: '*A field visit to Almeria, Spain*', by Hazel Clark, p32
'*The Clitheroe Pinnacle'* by Peter del Strother, p45
'A field guide to aspects of the geology of Worsley Woods Nature Reserve, west of Manchester' by SK Donovan, p69
Society information and Publications: GeoLancashire p79, Manchester Geological Association p80, and Liverpool Geological Society p81

2020 v21: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 21 Contents, p1 and Editorial p3
'Iain Ashworth Williamson: an obituary' by Mark Witherspoon, with a personal recollection by Jennifer Rhodes and a list of Iain A Williamson's geological papers, p4-10
'John Price: an appreciation' by Fred Owen and Richard Parr, p11
'Some notes on writing about geology for publication' by Stephen K Donovan, p13
'Geocaching and Earthcaching' by Peter Robinson, p19
'Recent borings in glacial erratics in Carboniferous Limestone, Cleveleys, Lancashire' by Stephen K Donovan, p31
'Seismic lines and the HS2 railway' by Robin Grayson, p50
'A "new" specimen of Woodocrinus macrodactylus de Koninck' by Stephen K Donovan, p60
'A geological guide to Healey Dell, Rochdale' by Ron Powell, p73
'*The stone used in the Peterloo Memorial, Manchester'* by Jennifer Rhodes, p88.

End of List 2: 'North-West Geologist' index to contents (1991-2020).

2024 v22: THE NORTH WEST GEOLOGIST (formerly THE AMATEUR GEOLOGIST) Number 22 Contents, p2-3 and Editorial p4, Notes for authors p4, and copyright p5.
'Geoff Tresise: an obituary' by Wendy Simkiss p6
'*A personal recollection of Jennifer Rhodes: an obituary'* by Peter del Strother p11
'Significance of small round holes (Oichnus paraboloides (Bromley) *in crinoids, Salthill Quarry, Clitheroe, Lancashire'* by Stephen K Donovan p13
'Landscapes in urban and suburban settings: the use of 'Lidar' digital terrain maps of Wirral and central Liverpool for research and public engagement' by Jim D Marshall p35
'Roughlee's Ironstone nodules and the Homoceras eostriolatum marine band' by Brian Jeffery, Richard Higgins and Peter del Strother p52
'A tale of two lavas' by Wendy Simkiss p70
'*Unrecorded Tufa Deposits from South Wirral: Two Further Sites'* by Rowan Patel p81
'Seaside Geology: The Stone Jetty (Old Stone Pier), Morecambe, Lancashire' by Stephen K Donovan p94
'Field Skills ancient (1939) and modern (2024)' by Peter Williams p104
'Molluscan subfossils from the Glacial Till at Thurstaston, Wirral' by Rowan Patel p113
Book review: *'Introducing Palaeontology: A Guide to Ancient Life'* (second edition) by Stepen K Donovan p129
Society Information and Publications: GeoLancashire p132, Liverpool Geological Society p133, and Manchester Geological Association p134.

Document by Brian Jeffery and dated 07 January 2025.
